

## **Cookie Policy**

This Cookie Policy describes the types of cookies and the purposes of their use by INet Production LLC, as well as the ways in which you can refuse the processing of cookies.

### **1. WHAT ARE COOKIES?**

Cookies are text files or small pieces of data stored on your device. Such files may contain information such as the type of browser, operating system in use, language settings, or other personal page settings, website usage data, login details, and more.

Cookies are used to ensure more efficient operation of the website and allow the website to remember your preferences.

### **2. WHAT TYPES OF COOKIES DO WE USE?**

INet Production LLC processes different types of cookies depending on their function and purpose.

- **Functional cookies**  
Functional cookies are essential for the operation of the website, ensuring its optimal use. These cookies cannot be disabled in our systems, as without them some sections of our website will be inaccessible or difficult to use. These cookies do not contain personal information. You may configure your browser to block cookies, but this may affect the proper operation of the website, including restricting access to the site or certain features or sections.
- **Analytical cookies**  
Analytical cookies are necessary to determine the number of website visitors, the time spent by users on pages, and any errors encountered. This information helps us optimize the performance of the website.

### **3. HOW TO MANAGE COOKIES**

You may manage the use of cookies and select which cookies may be used. Deleting or blocking cookies may affect the user interface and functionality of the website.

In general, your browser allows you to view, delete, and block cookies. When all cookies are deleted, settings are reset. In such cases, you will need to manually configure your personal preferences each time you visit websites.

To manage and configure cookies in a specific browser, you should review that browser's policies. If you use different devices to access the website, please ensure that each browser on each device is set according to your preferences regarding cookies.

### **4. COOKIE RETENTION PERIOD**

We use persistent cookies (stored for a fixed period of time).

### **5. WHAT SERVICES DO WE USE FOR COOKIE PROCESSING?**

We use the following partner services for cookie processing:

- Yandex.Metrica

### **6. DATA TRANSFER**

Data collected through cookies may be transferred to third parties (e.g., analytics partners) in accordance with their privacy policies.
